

BALLISTIC PLATE CARRIER

Model 090 Nylon Ballistic Plate Carriers

Longfri supplies a few types of ballistic plate carriers and compatible soft panels and hard plates.

Key features of Longfri nylon carriers:

- Made with nylon 600D material that is water and chemical resistant
- Front and back pockets fit 10" x 12" inserts
- Each pocket is deep enough to fit multiple soft panels, or one hard plate, or one soft panel plus one hard plate, to provide the desirable level of protection
- Adjustable waist buckles strap

- Removable anti-slip padded shoulder pads
- Adjustable shoulder straps
- Padded mesh interior lining
- Carrier can be purchased with or without protective inserts

Available in stock: carriers in black or green; one size that fits S to XXL.

Model No: 090-B: Black Plate Carrier 090-G: Green Plate Carrier

Compatible protective inserts available:

- NIJ level IIIA soft panels
- NIJ level III or IV hard plates
